

## CB - Bug #2893

### Date fields required flag not removed during registration when value is changed

12 October 2011 08:21 PM - krileon

<b>Status:</b>	Closed	<b>Start date:</b>	12 October 2011
<b>Priority:</b>	Normal	<b>Due date:</b>	
<b>Assignee:</b>	beat	<b>% Done:</b>	100%
<b>Category:</b>		<b>Estimated time:</b>	2:00 hours
<b>Target version:</b>	CB 1.7.1		
<b>Description</b>			
Other fields if required will remove their required error message once input has been provided however date fields do not and continue to display the message. This is purely cosmetic and doesn't hurt the actual registration workflows.
