

## CB - Feature proposal #5532

### Implement user list specific number of users message

29 September 2015 12:09 PM - nant

<b>Status:</b>	Closed	<b>Start date:</b>	29 September 2015
<b>Priority:</b>	Normal	<b>Due date:</b>	
<b>Assignee:</b>	krileon	<b>% Done:</b>	100%
<b>Category:</b>		<b>Estimated time:</b>	0:00 hour
<b>Target version:</b>	CB 2.1		

#### Description

Currently each user list always shows a message in the form of:

[sitename] has XX registered members

This implementation is as the current feature is designed but could be improved to show a user list specific message.

For example the words "registered members" could be misleading as the user list could be configured to show admin members or manager members.

Maybe the message could be a language string or a parameter that lets people format the message for each user list.

#### History

##### #1 - 29 November 2016 08:30 PM - krileon

- Status changed from New to Resolved

- % Done changed from 0 to 100

Implemented in MR !1185

The following language string usages will be available for list specific translations.

USERLIST\_#\_TOTAL\_REGISTERED\_MEMBERS  
USERLIST\_#\_COUNT\_MEMBERS  
USERLIST\_#\_NO\_USERS\_IN\_LIST  
USERLIST\_#\_SEARCH\_USERS  
USERLIST\_#\_FIND\_USERS

Replace # with the userlist id. Additionally all of the above support [title] for the userlist title.

##### #2 - 20 December 2016 07:33 PM - krileon

- Status changed from Resolved to Closed
