

CB Gallery - Feature proposal #7175

Implement email notification to user when media is approved

01 June 2018 03:22 PM - krileon

Status:	Assigned	Start date:	01 June 2018
Priority:	Normal	Due date:	
Assignee:	krileon	% Done:	0%
Category:		Estimated time:	0:00 hour
Target version:	3.0.0		
Description			
Currently user has no means of being notified if media or album has been approved. This should just send an email to them as it does to moderators. Can probably just be dependent on the existing notify parameter instead of adding another parameter to galleries.
